## WORK EXPERIENCE

### SFCC Frontend Developer Merkle, a Dentsu Company

08/2022 - Present

Gurugram

#### Achievements/Tasks

- Created reusable components for the organization, such as a progressive web app (PWA) and dynamic marketing tiles that can be shown in any location on the product list page (PLP) without compromising the user experience (UI).
- Developed lazy loading and masonry layouts, which improved website performance and user experience.
- Created useful components for the page designer, allowing for quick and easy website modification.
- Completed two projects successfully, exhibiting good project management abilities as well as the capacity to provide high-quality work on schedule.
- Helped colleagues with their responsibilities, exhibiting a desire to assist and great cooperation abilities.
- Quickly resolved any front-end concerns, resulting in a smooth and efficient development process.

### SFCC Intern Merkle, a Dentsu Company

01/2022 - 07/2022

Gurugram

#### Achievements/Tasks

- Assisted in increasing workplace productivity by keeping an ordered atmosphere.
- Solved issues effectively both individually and as part of a team.
- Create some page designer components.
